

Intellectual Property AND Property Lien against:

Oglala Sioux Tribe Election Committee \$55 Billion
AND Government Accountability Office
AND Department of Interior
AND Bureau of Indian Affairs

State of South Dakota

Counties of Oglala, Jackson, and Bennett

Notice is hereby given that on March 18, 1969, Melaine R. Wilson, of 547 BIA 28 Wounded Knee, South Dakota 57794, an Enrolled Oglala Lakota, commenced being Oglala Lakota in the County of Oglala, formerly Shannon County. Federal Monies, to include GAO 638 Contract Federal Funds, should be available for Reconciliation Accountability for the Enrolled Oglala Sioux Tribal Members (Approximately 40,000 People) as to how different colors of monies (Services, Construction, Supply, Research) are being used in their 54 Communities across the Pine Ridge Indian Reservation plus the 55th Community of Off Reservation Enrolled Oglala Lakota's. At this time, Enrolled Oglala Sioux Tribe Members do not have access to Financial Information (638 GAO Contract Funds Appropriated by United States Congress of the American Tax Payer Money and their Tribal Official Ethics Conflict of Interest Business Ownings breaking the Hatch Act) and Travel Information using Federal Vehicles and Federal Dollars on Oglala Sioux Tribe Council Members.

This Intellectual Property Lien and Property Lien is to include the following: Oglala Sioux Tribe 638 General Accountability Office Contract Fund Election Committee POSITIONS and Possessions. I Request GAO to Freeze all 638 GAO Contract Election Committee Funds, until all Election Committee Members are cleared by the FBI and GAO and DOI from conducting Bad Business Practices with the 638 GAO Contract Funds that were meant to help ALL Oglalas by not following up with their OST Ordinances, such as Home Address Verification. I have found one OST Council Member that has 6 Off Reservation Addresses that are Active.

Problem:

Oglala Sioux Tribe Council collectively has allowed Oglala Sioux Tribe Council Members to be from out of District and in some cases, out of State and still be an OST Council Member. Some OST Council Members have their residences in other Districts other than the one they Represent. Calculated moves.

Problem:

The Oglala Sioux Tribe Election Committee has several OST Council Members who are using the Committee POSITIONS for their own Personal Businesses, and only their own. Hemp and Cannabis Business License Complaints to follow.
